during its titanic military struggle with germany the soviet union received a major boost with the arrival and deployment of nearly 5  
000 bell p 39 airacobra fighter planes courtesy of america s lend lease program the impact was dramatic as the soviets quickly  
adapted the planes into a devastatingly lethal force dmitriy loza s account admirably translated and edited by james gebhardt vividly  
re creates the battle campaigns of this odd coupling of capitalist planes and marxist pilots and shines a bright light on a little known  
part of the air war on the eastern front the p 39 proved to be the right plane at the right time for a beleaguered red air force built for  
short range and relatively low altitudes the p 39 was equipped with a powerful engine and weapons that enabled it to outduel and

eventually dominate the luftwaffe from the caucasus foothills to berlin focusing on the combat operations and daily life of one unit the 9th guards fighter division loza refutes the myth that the p 39 was used mainly as a tank buster or flying artillery instead its primary mission was to protect red army operations from aerial attacks by the enemy so despite the occasional strafing of trains truck convoys and troops most p 39 operations involved attacks on luftwaffe bombers and dogfights with their fighter escorts center stage in loza s story are the p 39 pilots and ground crews themselves including remarkable captain aleksandr pokryshkin and major gregoriy rechkalov two of the soviets top four aces in addition loza details the organization and operations of the unit s noncombat personnel who refueled and maintained the aircraft cleaned and reloaded the guns packed the parachutes treated the wounded guarded the airfields and commanded the squadrons and regiments based on interviews with soviet veterans and extensive access to squadron histories and logbooks loza provides a rare and insightful look at what it was like to live and fight in this victorious air unit

this book examines the relations between the albanian communist regime and the albanian autocephalous orthodox church aaoc from 1945 when the communists came to power to 1967 when albania became the only atheistic state in the world and religion of all kinds was completely suppressed based on extensive archival research the book outlines orthodox church life under communism and considers the regime s strategies to control use and subordinate the church it argues against a simple state oppression versus church resistance scenario showing that the situation was much more complex with neither the regime nor the church being monolithic entities it shows how despite the brutality and the constant pressure of the state the church successfully negotiated with the communist authorities and benefited from engaging with them and how the communist authorities used the church as a tool of foreign policy especially to strengthen the regime s ties with their east european allies
